In Appreciation To

Our Unpaid Professionals

October 2008

To Our Friends;

Our organization is raising money to start a K-9 Unit for our Westville Police Department, 114 Crown Point Road, Westville, New Jersey in Gloucester County. Westville recently took over the policing of the borough of National Park, New Jersey. With the funding being cut to small towns, National Park contracted with Westville for Police Service. They are one of the first Police Departments to serve two boroughs in Gloucester County. Attention is on the Westville Police Force to see how well it works out.

Our organization Westville Friends of Public Safety with Boardwalk Kennel Club; believes that a K-9 unit would be a great asset to the Westville Police Department, serving National Park. We have a regional high school and two elementary schools a K-9 unit with their specialized skills, would be utilized when needed. We believe Police Dogs save lives, help find missing children, help take drugs off the streets and schools, stop criminals and protect our Police Officers.

*We would greatly appreciate any help you could give to our organization in starting the K-9 Unit for the Westville Police Department. Please don't hesitate to call with any questions or concerns.*

Thank you,
